

Accountants Professional Liability Risk Management Resources

Threats of malpractice litigation are a challenge for accountants professionals everyday. Berkley Select provides complimentary risk management tools for Accountants Professional Liability insureds to help manage accountant-related risk. These tools are available to our policyholders to protect their practice.

HOTLINE

Berkley Select understands that insureds need to make informed decisions concerning their accounting practice. Once callers identify themselves as an insured and provide their policy number, they will receive confidential and timely answers to most accounting-related questions. Thus enabling them to consider possible actions and to understand the consequences of that action when it arises.

The hotline includes these features:

- Clear explanation of accounting law related to the situation
- Advice about the best way to resolve the issue
- Access to accounting law experts
- Confidentiality assured

WEBSITE

Our risk management website offers a wide range of resources and is an online tool for accountants in search of sample materials, articles, and assistance with their accounting practice. Insureds will be issued login credentials with their policy that allows them to sign into the website and access these resources.

The website includes these essential tools and more:

- Best Practices
- Letter & Forms
- Featured Articles
- News & Alerts
- Frequently Asked Questions
