

Loss Run Report Options

With the new Loss Run Report procedures, there are many different options available to you to obtain your loss run reports.

SELF-SERVICE ON BERKLEYSELECT.COM

- Producers of record can go to the Loss Run Request page.
- Authorized parties providing a signed & dated authorization letter have the ability to obtain the report.

EXPRESS PORTAL

- Producer can log into their Express account to generate real time reports for inforce and/or expired business.
- Administrative employees can be given Express access to generate reports on behalf of their Producers.

RENEWAL QUOTES

- Reports are provided with the renew no application qualification email that is sent 120 days before renewal date.
- Reports are provided with the renew no application quote package 90 days before renewal date.
- Reports are provided with the solicitation package that is sent 105 days before the renewal date.
- Reports are provided with the traditional quote package at the time an Underwriter sends it.

In addition to the new Loss Run options, there are some new preferences that enhance the user experience.

ASSIGN RENEWALS TO A SPECIFIC PRODUCER

- Specific producers can be assigned all renewals for an agency. All material pertaining to the renewal will go to the assigned Producer. This preference is not product specific.

CARBON COPY PREFERENCE

- Producers of record can request their administrative employee's email be paired to their account. Emails generated by our system will carbon copy that individual. This includes the Self-Service option on our website.
